CSG (USHER'S) LTD ENVIRONMENTAL POLICY STATEMENT 2016

CSG (Usher's) Ltd recognises its responsibility to implement sound environmental practices. It aims to minimise adverse impacts through proactive environmental management and the use of the best available techniques.

This Policy Statement relates to all tree-work and vegetation control carried out by the company at customer sites, and supporting practices at its depot and office.

Rod Usher, Managing Director, is committed to ensuring, as far as possible, that company operations are environment-friendly, that sustainable solutions are used, with waste minimized, and continuous improvement achieved.

In particular, we will:

- Aim to meet the environmental objectives outlined in our Environmental Policy
- Maintain, and aim to increase, the amount of woodchip that we recycle
- Reduce the impact of our operations on wildlife its associated habitat
- Ensure a high level of maintenance on plant items and vehicles to maintain efficient environmental performance
- Minimise the risk of pollution from the safe and efficient use of fuels, oils, and other chemicals

Our Environmental Policy forms a key part of the company Management System. Employees are briefed on the importance of sound environmental management as part of their every-day tasks.

Signed:

Rod Usher
